Mr. Williams,

I can not give you any legal advice or help you set up anything. You need to talk to an investigator with the Sheriff Office. You need to talk to an attorney and get the proper legal advice that you need. Again, if there is anything that is being Done illegal you need to talk to an investigator with the Sheriff's office.  
I can't talk to you about anything that may come before the court.

Good Morning your honor,

My name is Derrick Williamson and I am the Founder & CEO of "The Way Dynamic Animal Therapy Encounters Inc" located here in Morgan County you may have heard of my touch down here with all of my exotic animals sloths 🦥, Water Buffalo 🐃 etc. I am unfortunately reaching out to you on not the best terms but I have been advised by law enforcement and animal control that you are the one that can help this facility as we are dealing with a very very difficult matter. Bottom line is I would like to meet with you on behalf of the company property and all the animals as there are unfolding on this facility that are unlawful and progressive and I can't stop them. Company assets are being stolen including animals! Here in the 10s of thousands of dollars and this family I can't seem to get off this property are using there tenant situations and false claims of ownership here to Sabatoge all the animals and myself who also resides on the facility. There has been false police reports made and several reports to other agency's and due to this family that resides on this facility's mayham unleashed has resulted in all my exotic animals having to be removed at another zoo and some boarded until I am able to get things sorted. Please!!! Help us your honor! these people I can't stop from stealing and sabatoging this property and the animals life's and well beings. As of yesterday apx \$20,000 worth of Zoo enclosure panels were stolen and also a group of exotic birds imported into GA called "Rheas" and this family won't stop.... Law enforcement and animal control says they can't stop them being they are tenants here who claim ownership. What am I to do? Despite there claims and attacks the Deed of this property is in my company's name solely and i am Owner and 100% Share Holder. Please meet with me to discuss a damage control plan maybe or put something in place to stop them from stealing and harming these animals wellbeing until the honorable courts sort out all the legal issues need be!!! PLEASE! HELP US!!!! Feel free to call me aswell at 678-760-9585

**NARRATIVE**

On Wednesday, March 16, 2022, at approximately 9:04 p.m., I, Deputy Miguel Ocon, was dispatched at 1280 Broughton Trail, Newborn, Georgia, in reference to a domestic dispute.

**Officer Name / Badge: OCON, MIGUEL / 830****Entry Date / Time: 03/16/2022 23:04**

On March 15, 2022, I, Deputy Miguel Ocon, was dispatched to 1280 Broughton Trail in reference to suspected stolen animals, and fencing. I made contact with Mr. Derrick Williamson. Mr. Williamson stated he is the CEO, CFO, and much more of a company. This company of his is at 1280 Broughton Trail. Mr. Williamson stated he lives there and that he lets people rent his house and share the house. Mr. Williamson stated he collects exotic animals as a shelter of some sort and that Mrs. Janet Hardee was kind enough to donate a lot of money to the company. Mr. Williamson stated he was so appreciative that he let Mrs. Janet move into his house and pay the bills.

I made contact with Mrs. Janet who stated she did donate a lot of money to the company. Mrs. Janet stated she lives there with her two daughters, mother-in-law, one grandchild, and Mr. Williamson. Mrs. Janet stated she built the home and state Mr. Williamson has another home somewhere else. Mrs. Janet stated the last time Mr. Williamson stayed at the house was two months ago. Mrs. Janet stated Mr. Williamson is trying to get them evicted from the house. Mrs. Janet stated she met Mr. Williamson at church and they became real close. Mrs. Janet stated the missing animals and the fence was taken by a David. David is a subject who works with Mrs. Janet and Mrs. Williamson. Mrs. Janet stated she bought some of the animals. I advised to both Mrs. Janet and Mr. Williamson that this is a civil issue. Both stated they have lawyers attempting to get this misunderstanding resolved.

On March 16, 2022, I was dispatched to investigate a physical domestic dispute. Upon my arrival, Mr. Williamson was outside holding his right shoulder and stated he had been assaulted by Mr. James Hardee. Mr. Williamson requested E.M.S. to clear him and National E.M.S. 1201 was dispatched to my location. Mr. Williamson presented a video and in the video there is a lot of yelling from multiple people. Mr. Williamson stated he was attempting to retrieve his personal documents that were located in a drawer in the living room. In the video I saw Mrs. Janet, Miss Claire Hardee, and Mr. James. Mr. Williamson was seen standing at the cabinet with Mrs. Janet and Miss Claire. Mr. James came into the video and was seen slamming the cabinet drawer. Mr. Williamson walked backwards, started screaming, and yelling he was going to call the police.

Mrs. Janet and Miss Claire both stated Mr. Williamson touched them while Mr. Williamson was trying to open the drawer. Mr. Williamson stated he did not touch anyone. Mr. James stated he did not touch Mr. Williamson deliberately but just slammed the drawer.

Mr. Williamson was holding a portfolio in his left arm and placed it in his right arm, the same arm that he stated was injured. Mr. Williamson was taken to the Morgan Medical Hospital for further examination. No marks were observed on his arm.

Since February 23, 2022, the Morgan County Sheriff's Office had been dispatched six times in reference to this same incident involving all parties present. Calls vary from subject refusing to leave to evicting someone from the property. I was unable to determine the primary aggressor at this time and I am requesting a good behavior hearing to resolve this dispute between all parties.
